**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to keep healthy competition alive. I went to Sonic since the big cable company grew larger and larger with huge increases in prices and worst customer service. They are terrible and when I left their service, they remotely went into me computer and put their log in window into my start up program. I have not been able to get rid of it. I Hate That Company and will never use it again. Sonic has been a good alternative. We need to allow these smaller companies to compete and stay alive.

Thank you.
